Long Island Rail Road

Far Rockaway Train Service

Modified Storm Recovery Timetable

In the aftermath of Hurricane Sandy, the LIRR has been working around the clock to restore as much service as possible. The restoration is beginning in phases as track, power & signal systems are repaired and tested.

This brochure includes scheduled departure times for newly restored service on the Far Rockaway Branch in addition to service between Jamaica Station and Atlantic Terminal.

LIRR Travel Tips During Hurricane Sandy Recovery Period

Because service will be limited, waits will be longer and trains will be more crowded. Customers are advised to consider changing their normal routines to travel later in the morning or later in the evening.
